## JUDY AND BOBBY SHACKOULS HONORS COLLEGE

### Request for Honors Housing Exemption

Student's Name: \_\_\_\_\_

MSU ID: \_\_\_\_\_ Net ID: \_\_\_\_\_ Date: \_\_\_\_\_

All freshmen in the Honors College are required to live in either Griffis or Nunnelee hall for their first year. If you are a commuter and your home address is within **30 miles** of campus, an exemption can be requested from Mississippi State's Office of Housing and Residence Life. If there is another compelling reason for you not being part of the Honors residential college community, please describe below.

**To request a non-Honors roommate before the April 1<sup>st</sup> Housing priority deadline, you first must mutually confirm one another on the MSU Housing application. The MSU Housing Office will make every effort to assign the two of you together in Nunnelee Hall, but these requests are not guaranteed and will only be honored if space allows. After April 1<sup>st</sup>, you and your non-Honors roommate will need to email your roommate requests (emails from each are required to ensure the requests are mutual) to [housing@saffairs.msstate.edu](mailto:housing@saffairs.msstate.edu). These requests will also only be honored if space allows.**

A committee will review your request and inform you as soon as possible.

#### Reason for Request

E-mail this form to [shackoulshc@honors.msstate.edu](mailto:shackoulshc@honors.msstate.edu) with the Subject "Honors Housing Exemption Request".
