Society for Personality and Social Psychology 2020 Convention
New Orleans, Louisiana | Feb. 27, 2020 – Feb. 29, 2020

At the end of February, I presented my research at the 2020 Society for Personality and Social Psychology Convention in New Orleans, Louisiana. While in New Orleans, it was great to meet so many driven individuals who were truly passionate about social psychology. I had the opportunity to listen great presentations concerning various sub-focuses of psychology and learn about upcoming research. While at the Convention, I was able to network with students and faculty from across the country.
